Key PTA Activities

Largely based on priorities set in Spring/Summer, through fundraising, grant writing, and coordination with school admin, the PTA exists to:

Fund student programs & events

Drama Club, Science Olympiads, Open House, Fall Festival, Field Day, and more!

Host community-building events

Movie/game nights, parent meetups, garden cleanups, teacher appreciation

Give input & volunteer

Serve as a vehicle for families and neighbors to provide input on, contribute to, and advocate for the school

SAC Update
